

WASHINGTON -- U.S. Rep. John W. Olver (D-First District) and U.S. Senator Edward M. Kennedy

Congressman Olver and Senator Kennedy sent letters of support to Secretary Donna

“Our rural communities have a critical need for accessible and quality health care,” Olver said

Senator Kennedy said, “This grant demonstrates a strong commitment to ensuring that every

While community health care coordinators in Massachusetts have been very success

“This funding will enable community health care coordinators to provide outreach to enrollees
